The Lodge

Located on Admiralty Island near Angoon, our lodge invites you to check out of your day-to-day life and check in to your wild side with us. The Lodge is situated on Favorite Bay, accessible only by float plane. The Bay is home to whales, a variety of salmon, bald eagles, bears and a host of other rare natural wonders. Favorite Bay Lodge is the areas only luxury stay.

Indoor Paradise!

Unwind in our cozy loft, where you can wind down by the fire, take in the views and get lost in a story from our library of books. Savor breakfast and dinner in our great room where gourmet meals and wait staff present culinary delights daily. And, entertain yourself with a host of games and a championship pool table in the rec room. At Favorite Bay Lodge, there's almost as much to discover inside than outside.

What an incredible adventure this trip was...The lodge is incredibly furnished with unobstructed views of the Alaskan wilderness. The fishing was a highlight as we caught our limit and brought it home with us! And then came our meals... each and every meal an anticipated event prepared by gourmet chefs.

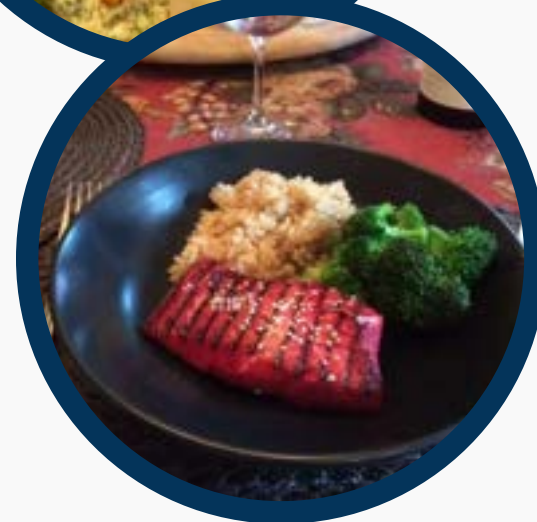

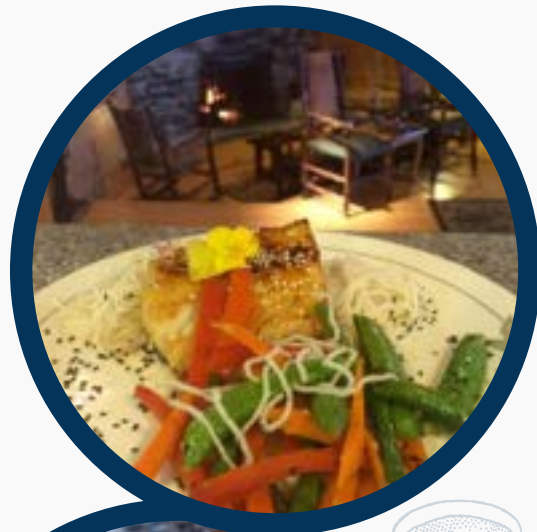

I have traveled the world and this trip ranked up there as unique and is on my "must do again" list!
